AROMATIC

*Premium Car Fragrance Collections*

*Fragrances that transform every drive into an experience*

## ELEVATE YOUR OFFER WITH CAR FRAGRANCES

Transform your product range with car fragrances designed to create lasting emotional connections. Our scents turn every drive into a premium experience – making them the perfect addition for boutiques, car dealerships, and corporate gifting concepts.

Offer your customers more than a simple accessory – bring them an exclusive sensory journey that encourages repeat purchases and brand loyalty.

*We touch your feelings – and those of your customers.*

## WHY OUR PARTNERS CHOOSE AROMATIC .89. CAR FRAGRANCES

Aromatic .89. car fragrances are designed for businesses looking to offer their customers a premium driving experience. Each product combines luxury scents with practical formats, making it perfect for boutiques, car dealerships, concept stores, and gifting solutions.

- Over 30 perfumery-grade scents – from fresh citrus to warm oriental notes
- Multiple formats: vent clips, hanging glass diffusers, paper air fresheners, sprays, drops, refills
  - Refillable options – sustainable and cost-effective for repeat sales
    - Phthalate-free formulations
  - Designed to deliver long-lasting fragrance performance
- Elegant packaging ideal for gifting and premium retail displays

# CAR FRAGRANCE COLLECTION

*Our Best-Selling Car Fragrances*

HANGING PAPER AIR FRESHENER

HANGING GLASS AIR FRESHENER

8 ML

Two of our most popular formats – Hanging Paper Air Freshener and Hanging Glass Air Freshener – combine eco-conscious materials, premium perfumery oils, and long-lasting performance. With refillable options and elegant design, they are ideal for high-volume retail, gifting, and premium automotive concepts, driving repeat sales and customer loyalty.

Offer your customers a premium experience with over 30 exclusive car fragrances – from fresh citrus to warm oriental blends. Our versatile collection allows you to cater to different driving moods, seasons, and car interior styles, adding value to your product range and helping your business stand out in the market.

# PERFUMED CAR CARE COLLECTION

PERFUME SPRAY  
100 ML

PERFUMED DASHBOARD CLEANER  
100 ML

Elevate your automotive fragrance offering with our Perfumed Dashboard Cleaner and Perfume Spray – two essentials that combine luxury scent with functionality.

Perfumed Dashboard Cleaner – Cleans and protects car surfaces from dust and dirt with an antistatic effect, leaving a subtle premium fragrance. Quick-drying, streak-free, and available in 100 ml and 720 ml formats – ideal for both retail and professional use.

Perfume Spray – A versatile car spray designed to refresh interiors instantly with over 30 perfumery-grade scents, complementing our full car fragrance range.

Perfect for car dealerships, premium retail concepts, and gifting, these products enhance daily driving experiences and encourage repeat purchases.

# CAR AIR FRESHENER VENT CLIP

*Minimalist design meets luxury fragrance.*

CAR AIR FRESHENER VENT CLIP

1 pcs

A minimalist, reusable metal clip that combines elegant design with long-lasting fragrance – ideal for premium automotive concepts and gifting. Each unit contains 1 concentrated fragrance capsule, delivering up to 30 days of scent that intensifies with warm airflow.

- Reusable metal holder for sustainable, repeat sales
- Over 30 perfumery-grade fragrances available
- Premium black packaging suited for boutiques and car dealerships
- Compact design – elegant accessory for any car interior

This product invites customers to return for refill capsules, driving ongoing sales and brand loyalty.

**SUSTAINABLE CHOICE:** Offer your customers the option to purchase fragrance refills and reeds separately, encouraging them to reuse the same bottle and reduce waste. This not only supports eco-conscious living but also helps businesses optimize costs and increase customer loyalty by providing an environmentally responsible solution.
